SIR:

**ATTN: OFFICIAL DRAFTSPERSON**

**TRANSMITTAL OF FORMAL DRAWINGS**

In response to the Notice of Allowability mailed June 12, 2007, applicant  
submits herewith for approval a new set of twenty (20) sheets of formal drawings to be

substituted for the previously filed twenty (20) drawing sheets of record.

It is noted that the Notice of Allowability does not indicate whether or not the drawings filed with the application on February 24, 2004 are acceptable, and the undersigned attorney has never received a Notice of Draftsperson's Patent Drawing Review in this matter. The drawings filed with the application on February 24, 2004 included hand-drawn elements and Figure numbers, specifically Fig. 27 through Fig. 33. Additionally, page numbers were inadvertently omitted from drawing sheets 16 through 20, and the first 14 sheets were incorrectly numbered.

Although not specifically required by the Notice of Allowability, Applicant submits the enclosed formal drawings in order to satisfy the ordinary requirements of 37 CFR 1.84. Any changes made to the drawings were made only to comply with the physical requirements of 37 CFR 1.84, i.e. line quality and uniformity, margins, scale, shading, page numbering etc.

Consideration and entry of these formal drawings is respectfully requested.

Respectfully submitted:
